GOOD WORKS & GOOD TIMES

Westlight in Best Light

BY PEGGY SANDS

"It's a real labor of love," said EastBanc developer Anthony Lanier Sept. 27, as he personally showed potential buyers, real estate agents, developers, designers, journalists and guests around at the opening party of the Westlight residences at the corner of 24th and L Streets NW. With each condo uniquely designed, residents enjoy a full rooftop pool above an entire open floor condo-clubhouse and deck; concierge services and garages included. Prices range from \$1.5 to \$4.5 million.
